WITHDRAWAL OF CHANGE OF CORRESPONDENCE ADDRESS

Dear Sir:

This Office filed a Change of Correspondence Address for application serial no. 10/693,853 on August 15, 2008 (filed papers attached). And while several of the documents submitted identified the correct serial number, the Change of Correspondence Address Application identified an incorrect application number...namely serial no. 10/693,859 identified in the header above. As such, the USPTO accepted this Change of Correspondence Address Application for an application not owned by NASA.

As such, undersigned counsel hereby requests that the Change of Correspondence Address Application filed on August 15, 2008, and the papers submitted therewith be removed from the above-identified case (Serial No. 10/693,859) and the prior correspondence address and Power of Attorney be reinstated.
